

TIME FOR SCIENCE

OPEN CONFERENCE

Location: FFCUL auditorium, C1
Organized by the Post-docs of CBA

1ST JUNE
FREE ENTRANCE

June 1

10:00 Opening by Prof. Margarida Santos-Reis
10:00 **Maria João Fernandes** "GPPQ-FP7 Promotion Office: the Portuguese structure to support your participation in the 7th Framework Programme"
11:00 **Leena Luís** "Paleobotany in coastal paleoenvironments: towards a model to predict impacts of future climatic changes."
11:20 Coffee Break
11:50 **Pedro Pinho** "Ecological indicators of factors associated to global change"
12:10 **Silvana Munzi** "REAL TUNE - an ongoing project"
12:30 **Pedro Simões** "What happens to clinal variation in the lab?"
12:50 Lunch

14:50 **Luís Borda de Água** "The role of dispersal in the persistence and dynamics of a population in a fragmented landscape"
15:10 **Rita Ponce** "Novel genes: from formation to function"
15:30 **Mónica Silva** "Searching for the molecular basis for olfactory ability in Procellariiform seabirds"
15:50 **Maria Ana Aboim** "Iberian Cyprinids – a genetic tale of adaptation and evolution"
16:10 Coffee Break
16:30 **Teresa Nogueira** "Evolution and dynamics of the bacterial secretomes"
16:50 **Susana Varela** "Testing the "Commodity Selection Framework": Can conspecifics cues be the key to the evolution of coloniality in birds?"
17:10 **Sofia Seabra** "Population genomics and association studies in a colour-polymorphic insect species"
